16. **Special rules for 5th Grade ONLY:**
 - a. At the 5th grade level ONLY the defensive team shall stay behind a line extended from the top of the arc to each sideline for 5 seconds after the offensive team crosses the half court line, or until the offense penetrates that same line. After the 5 seconds the defensive team may step up and play normal man-to-man defense. This is done to help 5th grade teams get a half-court offense set in place without defensive pressure. Coaches are encouraged to review this rule with the referee and each other prior to the start of the game.
 - b. No pressing at all allowed at 5th grade level
 - c. The lane rule is 5 seconds instead of 3.
